

Why Mini TPLON

TPLON began with a goal: helping establish Dental Care Units in Nyarugusu refugee camp.

The sponsorship needed for the full league has not yet materialised. Players also asked for a shorter commitment.

We are starting smaller with four qualifying match days and Championship Sunday, bringing communities and organisations together through pickleball.

Funds will support OwosTanzania's operations and the next fundraising events towards the Nyarugusu project.

21 November to 13 December 2026

Players and match days

6 teams with 8 players each

6 regular players + 2 substitutes per team
